Re: Facility ID # 24-0114
Permit Number: **970035G**

Dear Mr. Lewis or responsible official:

The Division of Air Pollution Control is completing file reviews to identify permits approaching their expiration date. It has come to our attention that permit number **970035G** is due to expire on **May 14, 2016**.

If this source has begun operations, please submit a complete operating permit application and start-up certification if required. Application form CN-0730 (APC 100) and instructions are online at <http://www.tn.gov/environment/article/permit-air-air-quality-state-operating-permit>

You now have the option of submitting your application via email to Air.Pollution.Control@tn.gov. The submittals must be signed, dated, and in PDF format. If preferred, paper documents can be mailed to the address found on the application.

However, if start-up has not occurred, it may be necessary to request an amendment to extend the permit's expiration date. Written requests can also be submitted in pdf format to the email address above.

Please ensure all conditions of this permit have been met, including other possible deadlines and record keeping requirements.

If assistance is needed, the Small Business Environmental Assistance Program (SBEAP) is a free, confidential, technical program within TDEC that can help. This program is able to assist with completing applications including calculations as well as any other environmental questions that a small business may have. The SBEAP can be contacted at 800-734-3619 or by email at BGSBEAP@tn.gov.

Sincerely,

Jarrett Rudd | Inspector
Division of Air Pollution Control
